## **RECITALS**

WHEREAS, Client operates a delivery van rental business in the United Kingdom and requires a professional website with integrated booking functionality;

WHEREAS, Developer possesses the technical expertise and experience necessary to design, develop, and deploy such website;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

### **1. PROJECT DESCRIPTION**

Developer shall design and develop a responsive website for Client's van rental business including:

- Company portfolio and service presentation
- Online booking system with form submission
- Administrative dashboard for booking management
- Mobile-responsive design optimized for UK market
- Search engine optimization setup

### **2. SCOPE OF SERVICES**

#### **2.1 Design Phase**

- User interface design using Figma platform
- User experience wireframes and mockups
- Mobile and desktop responsive layouts
- Up to three (3) rounds of design revisions

## 2.2 Development Phase

- Frontend development using NextJS
- Backend development with NextJS architecture
- Customer booking form with validation
- Admin panel for booking review and management
- Email notification system integration

## 2.3 Deployment and Optimization

- Website hosting configuration and deployment
- SSL certificate installation and security setup
- Basic search engine optimization implementation
- Google Analytics and Search Console integration

## 3. DELIVERABLES AND TIMELINE

Project shall be completed within eight (8) weeks from commencement date according to following schedule:

Weeks 1-2: Design mockups and client approval

Weeks 3-4: Frontend development and responsive implementation

Weeks 5-6: Backend development and database configuration

Weeks 7-8: Integration testing and live deployment

## 4. FINANCIAL TERMS

**4.1 Total Contract Value:** Six Hundred Fifty Pounds Sterling (£690.00)

### Service Breakdown:

- UI/UX Design: £120.00
- Frontend Development: £150.00
- Backend Development: £200.00
- Database Setup: £100.00
- Deployment Services: £50.00
- SEO Implementation: £70.00

### 4.2 Payment Schedule:

- First Payment: £190.00 (30%) - Upon contract execution
- Second Payment: £300.00 (40%) - Upon frontend completion
- Final Payment: £200.00 (30%) - Upon project delivery

**4.3 Additional Expenses** (Client responsibility): Domain registration, web hosting, and SSL certificates are excluded from development fees.

## **5. CLIENT OBLIGATIONS**

Client shall provide:

- All necessary business content and imagery
- Timely feedback within 48 hours of request
- Access to domain and hosting accounts when required
- Approval decisions within specified timeframes

## **6. DEVELOPER OBLIGATIONS**

Developer warrants:

- Work shall be performed with professional skill and care
- Website will function as specified across modern browsers
- Source code will be delivered upon final payment
- Thirty (30) days of technical support post-launch

## **7. INTELLECTUAL PROPERTY**

Upon receipt of final payment, all custom code and design elements shall become Client's exclusive property. The developer retains the right to reference projects for portfolio purposes.

## **8. LIMITATION OF LIABILITY**

Developer's liability shall not exceed the total contract value. The developer is not responsible for third-party service failures, hosting issues, or domain-related problems.

## **9. TERMINATION**

Either party may terminate this agreement with seven (7) days written notice. Client shall compensate the Developer for work completed through termination date.

## **10. MODIFICATIONS**

This agreement may only be modified through a written amendment signed by both parties.

## **11. GOVERNING LAW**

This agreement shall be governed by the laws of India for development services and the United Kingdom for client obligations.

**IN WITNESS WHEREOF**, the parties execute this Agreement on the date first written above.
